## Product Discontinuance Notification D3313-S4/-S6

Dear customer,

We regret to inform that AMD has shortened the life cycle for all Steppe Eagle SKU's with the official announcement of 24.07.2020 (AMD No. 4356A).

Therefore we are unfortunately forced to shorten the lifecycle for our motherboards D3313-S4 and D3313-S6 as well. We are at your disposal for individual solutions in case of larger lifecycle demands.

Model	Order Code	Description	Last Order Date (LAO)	Last Shipment Date (LSD)		Successor(s)
	S26361-F5120-			Standard Lifecycle	Extended Lifecycle	
D3313-S4	V104	Mini-ITX, AMD GX-222GC	11th of Jan 21	30 <sup>th</sup> of Sep 21	Not planned!*	D3713-Rx D3543-Sx
D3313-S6	V130	Mini-ITX, AMD GX-424CC	11th of Jan 21	30 <sup>th</sup> of Sep 21	Not planned!*	D3713-Rx D3543-Sx

\* Please kindly note that despite EOL of AMD Steppe Eagle by end of this year we already offer 9 months delayed last shipment date. For that reason a further extended lifecycle is not planned!  
After the last assured order date we will not be able to accept any future orders.

Please kindly let us know if you have any questions.

Best regards

Peter Hoser
