

Product EOL Notification

Notification NO: PP1-R24040201

EOL Model: MI811 (Ver. 2.1)

Explanation:

Due to below key components has been EOL and without any replacement, iBASE will no longer supply MI811 series (ver. 2.1) from now on,

| | |
|----------------------|-------------------------------------|
| Realtek® ALC283-CG | Audio Codec IC (EOL# PC-201712001) |
| Diodes PI3VEDP212ZLE | DisplayPort switching IC (PCN#2602) |

Customers' demand will be reserved as there is no plan to have revision for MI811.

Please consider to select iBASE [MI836 series](#) as a successor of MI811 , you may check with your iBASE Sales representative directly.

Your sincerely,

Wilson Lin
